

COMPLETING A VOTER REGISTRATION APPLICATION

1

In order for an applicant to be properly placed in the correct district for voting, it is important that sections 1, 2 and 4 are completed.

2

For verification purposes, a Valid Georgia driver's license or Georgia ID number must be entered in this section if the voter has been issued one. If the applicant does not have either, the applicant must provide at least the last 4 digits of their Social Security number.

3

If an applicant checks the "no" box on either question, then the voter registration process stops at that moment. The applicant cannot register to vote.
O.C.G.A. § 21-2-561

4

If the applicant cannot sign his or her name for whatever reason, the applicant must still make his or her mark on the signature line.
(Example: "X")

4a

Anyone who provides assistance to an illiterate or disabled applicant (by completing any portion of this application on the applicant's behalf) MUST sign in this section.

5

If an applicant was previously registered to vote in the State of Georgia and has a name change or a change of address, it is very important that the applicant completes this section.
